Scrumboard 3			
User Stories	To Do	In Progress	Done
US #1. As a user, I want to be able to easily find and see buttons on the screen, so that I can use the keyboard efficiently.			US 1 T1: Improve button shape and layout
US #2. As a user, I want the interface to flow easily, so that I know where buttons are and I can easily understand what they do.			US 2 T1: Improve general UI
US #3. As a user, I want a UI that is compatible with my iOS device, so that I can use the application on any of my iOS devices.			US 3 T1:Make the UI relative to work for all iOS devices
